## ABOUT US

Simqo International Pvt. Ltd. is a privately owned and independent hotel group, registered under the Companies Act, 2013 and Rule 18 of the Companies (Incorporation) Rules, 2014.

Headquartered in Kochi, Kerala, we are one of the largest and fastest-growing hospitality companies in India, operating in a dynamic market with a focus on both domestic and outbound tourism. Backed by extensive industry experience and a passionate team, Simqo International is committed to creating and successfully managing best-in-class hotels. We specialize in comprehensive hospitality management and services, delivering innovative, high-quality, and reliable solutions tailored to meet the evolving needs of the hospitality sector.

Over the past 2 years, we have experienced steady organic growth in our home markets, while continuously refining our brand portfolio, advancing our technology systems, and enhancing our capacity to efficiently execute major operations.

## Vision

To be a leading force in the hospitality industry by setting new benchmarks in service excellence and innovation.

## Mission

To provide exceptional hospitality management services that exceed client expectations through commitment, quality, and continuous improvement.

## Value

Our values guide us with a shared sense of purpose to create enduring value for our stakeholders. Deeply rooted in our employees, these values form the foundation of our business principles. We are committed to seeing every task through to completion in a timely, effective, and efficient manner to consistently deliver exceptional results.

# OUR GOALS

To ensure that our services rank among the highest in India by delivering sustainable profitability, consistent revenue growth, and enhanced market value.

To own and develop world-class hotels in major Indian cities, equipped with contemporary leisure, business, and conferencing facilities, along with a comprehensive range of services. To proactively anticipate the evolving needs of our guests, customers, and clients, crafting bespoke products and exceptional services tailored to their preferences.

To embody and showcase the rich heritage and finest aspects of Indian culture through our hospitality, décor, leisure, and entertainment offerings.
